

# Sooner Association of Division Order Analysts

## Webinar: Legal Description Basics

Introduction to the primary U.S. survey systems, with a deep dive into the rectangular survey system: reading, writing, mapping, and calculating acreage. Have your camera on and your pencil and paper ready, as we tackle a fun interactive topic!

**Jamie Meyer**

*Senior Commercial Contracts  
Analyst, The Williams Companies*

Jamie Meyer is a graduate of Oklahoma State University and has worked in the energy industry for 17 years. Today, she is a Senior Commercial Contract Analyst at The Williams Companies, working the Haynesville, Barnett, Permian, and acquisitions and divestitures.

Before joining Williams, Jamie spent six years as a Division Order Analyst and has prior experience in joint-interest billing and upstream marketing. She has served on the Sooner Association of Division Order Analysts' Board of Directors for 5 years and is currently serving on the National Association of Division Order Analysts' Webinar Committee and Institute Transportation Committee.

She and her husband, Aaron, have been married for 14 years and are proud parents to two children: Hayden, 10, and Penelope, 7. Despite her busy schedule, Jamie finds time to practice Brazilian jiu-jitsu, indulge in Netflix, cook healthy vegan meals, and referee the occasional Nerf battle!
