

Fifth Annual GableGotwals Energy Market Drivers and Current Legal Issues Seminar

Join members of GableGotwals' Energy Practice Group for a complimentary half-day seminar discussing recent legal and business developments affecting the energy industry, with a focus on Oklahoma and Texas. We will discuss new case law, recent and anticipated regulatory changes, and changing business practices impacting surface and mineral acquisition, title, indemnity, insurance, oilfield operations, midstream infrastructure, and revenue and royalty distribution.

This program is pending 3 hours AAPL, CLE, and CPE credit.
